ARTISTIC STYLE

I consider it an honor to be a part of your special events and want you to be thrilled! Please review my work to ensure you like my artistic style and abilities. You can be assured I will create your project to the same quality as the samples on my website.

HANDWRITTEN WORK

Unlike computer-generated text, the beauty of handwritten calligraphy is the natural variation in letter form. These variations result in every piece of writing being a unique work of art.

LICENSING

As the artist, I remain the sole owner of all artistic rights. Commissioned art is for personal use only. Separate commercial licensing agreements are available.

PHOTOGRAPHY

You are encouraged to share images on social media (please credit with "Calligraphy by Sarah Pugliese") and tag [@goldentouchcalligraphy](https://www.instagram.com/goldentouchcalligraphy). Professional photography of my work is always appreciated.
